Raleigh N.C.

Dear Friend:

I am writing to enclose this letter I received today. I assume Mr Warren is telling me he has decided to play with The Grays instead of The Eagles. If he thinks he can go to camp with The Grays and then leave them and go with some other team he is misinformed. He cannot go to another team unless The Grays turn him loose. If he looks good they will not turn him loose of course.

If you can get him to come with us and he makes the team I will take care of you for your trouble.

Will be looking to hear from you.

Very Truly Yours
